August is here, bringing 26 new games for [GeForce NOW](#) members.

Command the seas in *World of Warships: Legends* and discover what's next in the [GeForce NOW](#) library, starting with the eight newly added games this week.

In addition, GeForce NOW is at the [QuakeCon gaming conference](#) this week in Grapevine, Texas, with hands-on experiences awaiting attendees.

Visit the NVIDIA booth at QuakeCon to experience GeForce RTX 5080-powered Ultimate cloud gaming in action, with demos showcasing stunning visuals at up to 5K 120 frames per second on an ultrawide display, as well as seamless gameplay on the Lenovo Legion Go S handheld device.

Conference attendees can see how thousands of PC games, including fan-favorite Bethesda titles, can move effortlessly across laptops, Macs, handhelds, mobile devices, TVs and more — letting members pick up where they left off on nearly any supported screen.

Gamers not at the show can try out Ultimate cloud gaming in action with a day pass and jump into Bethesda titles from any device.

It's crazy that Mistfall Hunter isn't on GFN yet! Will we have to wait until another GFN Thursday? I hope not! Please add it before August 13th!
